The Fiat FREEDOM

The UK's best value wheelchair accessible taxi

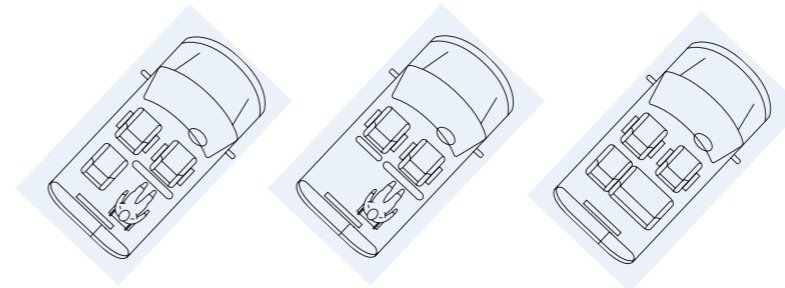

Cab Direct bring you the low cost, fully wheelchair accessible Fiat Freedom in Active and Dynamic models. Specially adapted from the Fiat Doblo this economical, highly versatile taxi makes loading wheelchair passengers easy with our lightweight, folding rear ramp or twin telescopic ramps. Low running costs will help you save more money in the long run, making this one of the most cost effective taxis on the market today.

Available exclusively from Cab Direct, every aspect of the Freedom has been designed with the modern day driver in mind. Comfort and convenience for both driver and passengers are paramount and your customers are sure to be impressed.
