The Versatile Taxi

The Versatile Taxi

Available exclusively from Peugeot and Cab Direct, **Premier™** combines the convenience of a standard car with the ability to offer wheelchair access when required.

Based on the celebrated Peugeot Rifter, **Premier™** promises stylish looks, premium specification, incredible luggage space and fabulous fuel economy. All of these are crucial considerations for the modern day taxi driver. With **Premier™**, however, you'll enjoy the additional benefit of having a standard, five-seat taxi one minute and a fully wheelchair accessible cab the next.

This priceless versatility is thanks to **Premier™** unique wheelchair access ramp, which simply pulls out from the floor of the huge boot space, whenever you have a wheelchair passenger to accommodate.

New
generation
FlatFold™
ramp

Premium Specification

Hours at the wheel mean taxi drivers need some home comforts, without breaking the bank. Based on the mid-tier Allure model, **Premier™** delivers exactly that. At the end of a hard shift, you're sure to feel the benefit of the height adjustable driver's seat with adjustable lumbar support, under seat storage and arm rest.

Additional specifications for your benefit include front and rear electric windows, electric parking brake, parking sensors, centre console with added storage space and halogen headlights.

What's more, you'll love Peugeot's fabulous new tech features, including mirroring your mobile phone with all its functionality on the easy-to-use, 8-inch touchscreen.

Economy & Space

Economy & Space

Returning a staggering 57.4mpg* in and around town, the amazingly efficient HDi diesel engine is sure to help you keep more of your hard-earned income.

You can choose the five-speed manual, six-speed manual or eight-speed auto transmission. Either way, driving is a pleasure, even in busy traffic, thanks to the wide-visibility windscreen, large door mirrors and responsive handling.

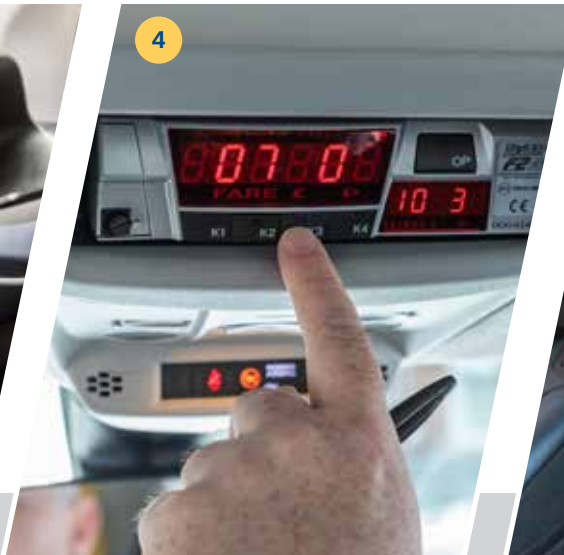

Your passengers will love **Premier™** too. Its bold new looks, alloy wheels and body-coloured front bumper will clearly set you apart from the competition. When it comes to luggage capacity, it's hard to find any car with more boot space - 775 litres, in fact. The rear of the car quickly and easily transforms to provide wheelchair access, whenever required.

57.4
MPG*

Interior Features

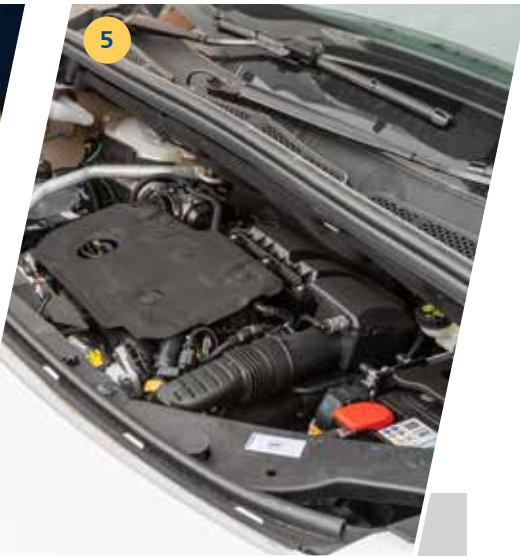

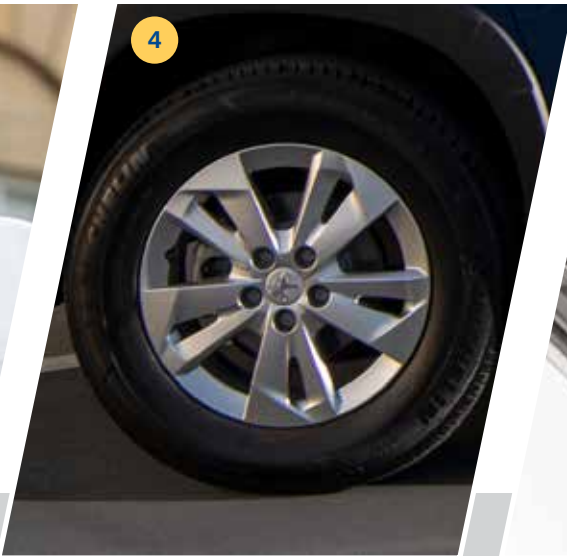

- 1 Foldable tables in rear
- 2 Puma cloth seating with driver & front passenger arm rests
- 3 i-Cockpit® touchscreen with mobile phone Mirror Screen®)
- 4 Taxi meter

Exterior Features

- 1 Reliable, powerful & sleek design
- 2 Unique **FlatFold™** pull-out ramp
- 3 High-visibility LED taxi sign*
- 4 16" Taranaki alloy wheels
- 5 1.5 BlueHDi 100 or 1.2 Puretech engine

e-Premier™

Introducing e-Premier™

The **e-Premier™** takes things to the next level by featuring a fully electric engine. It delivers an impressive 172-mile driving range, thanks to its 134bhp electric motor and a 50kWh battery pack. The ePremier's zero emissions also make it an eco-friendly choice, particularly suitable for those operating within or near a Low Emission Zone (LEZ).

Premium Specification

The **Premier™** taxi seamlessly blends luxury and affordability. It boasts a spacious interior and comes equipped with premium features, including air conditioning, rear parking sensors, and a 180° colour reversing camera. Furthermore, the **Premier™** taxi offers generous luggage space.
