## Accessibility

The *FlexiLite™* minibus is available with a wide choice of features making it highly accessible\*. The retractable side step and hand pole or grab handles help passengers to enter and exit with ease. Our folding rear access ramps and electric operated passenger lifts are easy to use and can be stowed away neatly within the vehicle, depending on the model you choose. Wheelchair restraints and three-point seat belts ensure the safety of wheelchair users and other passengers.

## Safety

*FlexiLite™* features such as the flooring, seats, seat belts and wheelchair restraints have been tested to meet stringent international safety standards\*\*. All *FlexiLite™* lightweight minibuses also come with the added reassurance of an Individual Vehicle Approval (IVA) certificate, independently verified by a Driver & Vehicle Standards Agency (DVSA) appointed test centre.

\* Excludes some 15 seats models.

\*\*UN ECE Regulation 14, UN ECE Regulation 16 and ISO 10542-1:2015.
